### Section Two: Charter for the School

- 2.1 Term.** In accordance with S.C. Code Ann. §59-40-110(A), the term of the Charter is ten years, beginning on July 1, 2022. This Contract is effective as of the date of execution and shall terminate on June 30, 2032, unless terminated sooner or renewed pursuant to this Contract and the Act.
- 2.2 Legal status.** The School is incorporated as a South Carolina non-profit corporation. The School shall continue to operate as a South Carolina non-profit corporation during the term of this contract and shall assure that its operation is in accordance with its articles of incorporation and by-laws. The School shall notify the Sponsor promptly of any change in its corporate status.

The School is organized and maintained as a separate legal entity from the Sponsor for all purposes of this Contract to the extent consistent with applicable law. Pursuant to S.C. Code Ann. §59-40-40(4), the Sponsor is the School's Local Education Agency (LEA) and the

School is a school within that LEA. As such, unless otherwise provided in the Act, the School is exempt from all provisions of state law and regulations applicable to a public school, a school board, or a district, although a charter school may elect to comply with one or more of these provisions of law or regulations. Notwithstanding the above, the School must comply with all federal statutes and regulations applicable to public charter schools.

### **Section Three: Sponsor/School Relationship**

#### **3.1 Sponsor responsibilities, roles, powers, and performance expectations.**

Pursuant to S.C. Code Ann. §59-40-40(4), the Sponsor is the School's Local Education Agency (LEA) and the School is a school within that LEA. In accordance with the Act, the Sponsor retains responsibility for special education and shall ensure that students enrolled in the school are served in a manner consistent with LEA obligations under applicable federal, state, and local law. The Sponsor shall offer appropriate technical assistance to the School in satisfying state submission and reporting requirements affiliated with LEA obligations, including but not limited to administration of state software and systems including PowerSchool and Enrich, coordination of state assessments, and requests for funds processes in connection with state and federal programming. Additionally, the Sponsor shall offer appropriate support to the School, including but not limited to special education services, state and federal programs, PowerSchool services, testing services, professional development, and other types of support offered to other public schools.

**A. Oversight and monitoring.** In accordance with S.C. Code Ann. § 59-40-55, the Sponsor shall:

- i. adopt national industry standards of quality charter schools and shall authorize and implement practices consistent with those standards;
- ii. monitor, in accordance with the terms of the Contract, the performance and legal/fiscal compliance of the School to include collecting and analyzing data to support ongoing evaluation according to the Contract;
- iii. conduct or require oversight activities that enable the Sponsor to fulfill its responsibilities outlined in the law, including conducting appropriate inquiries and investigations, only if those activities are consistent with the law, adhere to the terms of the contract, and do not unduly inhibit the autonomy granted to public charter schools;
- iv. collect in accordance with S.C. Code Ann. § 59-40-140(H), an annual report from the School and submit the report to the South Carolina Department of Education (SCDE) by the date set forth by the SCDE.
- v. notify the School of perceived problems when its performance or legal/fiscal compliance is unsatisfactory and provide a reasonable

opportunity for the school to remedy the problem, unless the problem warrants immediate revocation and revocation timelines apply;

- vi. when or if appropriate pursuant to the Act, take appropriate actions and exercise sanctions short of revocation in response to deficiencies in School performance or legal/fiscal compliance. These actions or sanctions may include requiring the School to develop and execute a corrective action plan within a specified timeframe;
- vii. determine whether the School's Charter merits renewal, non-renewal, or revocation;
- viii. provide fair, consistent, and accurate information about the School's academic performance, financial performance, and organizational status to parents and the general public to the same extent and in the same manner the Sponsor shares information about other charter schools sponsored by the Sponsor; and
- ix. permanently close the School at the conclusion of the school year should the School receive the lowest performance level rating as defined by the federal accountability system for three consecutive years in accordance with 59-40-110(E). Subject to rulings by the State Department of Education or amendment of § 59-40-110(E), and recognizing that the current ratings available under the federal accountability system are divided by elementary, middle, and high school and no aggregate rating is provided for schools including combinations of elementary, middle and/or high school, the School and Sponsor agree that the "lowest performance level rating" for a given year shall be defined to mean that all grade ranges served (elementary, middle, and/or high school) must receive the lowest performance level rating in order for the School to be permanently closed pursuant to § 59-40-110(E).

**B. Access to records and right to review and inspect.** The Sponsor has the right to inspect and review all School records established and maintained in accordance with the provisions of this Contract, State Board of Education (SBE) policies and regulations, and federal and state statutes, laws and regulations. Sponsor is an authorized user of all student records, including but not limited to all documents covered by FERPA. **C. Access to data and information.** The Sponsor shall timely provide the School with access to any data and information pertaining to the School that it receives from the State or other sources, including but not limited to test scores, federal and state accountability data, special education data, student enrollment data, and funding information.

**D. Notice of Enrollment Options.** At the School's request, the Sponsor shall provide to parents and the general public information about the School as an enrollment option within the district in which the School is located to the same extent as the district in which the School is located provides and publicizes information about all public schools in the district. The Sponsor and the School shall mutually agree upon the content of the information to be provided and the manner in which such information will be provided. The School shall notify the Sponsor of its enrollment procedures and dates of its enrollment period no less than sixty days before the first day of its enrollment period, and the School shall make the request for the Sponsor to provide information to parents and the general public at least thirty (30) days before such information is to be provided.

Code Ann. §59-40-50 (B)(5) and SBE Reg 43-601 II (H), the School’s teachers of core academic areas shall be certified in their respective areas or hold a bachelor's or graduate degree in those areas. In its discretion, the School may hire noncertified teachers in a ratio of up to twenty-five percent (25%) of its entire teacher staff.
- 9.6 Non-discrimination.** It shall be the policy of the School to make all decisions regarding recruitment, hiring, promotion, and all other terms and conditions of employment without regard to race, color, religion, sex, national origin, age, disability, or other factors which cannot lawfully be the basis for an employment decision. The School shall follow all federal and state statutes, laws, and regulations regarding non-discrimination and enact specific policies and procedures consistent with those statutes, laws, and regulations. The School shall post on its website and any document it publishes for public consumption the name of the School employee to whom inquiries regarding the non-discrimination policies shall be made and the following notice: “The (name of the School) does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.” For further information on federal non-discrimination regulations, including Title IX, individuals may contact the Assistant secretary for Civil Rights at OCR.DC@ed.gov or call 1-800-421-3481.

#### **Section Ten: Service Contracts with the Sponsor**

- 10.1 Direct costs.** Not applicable.
- 10.2 Sponsor services.** All details of services with the Sponsor shall be outlined in Service Contracts signed by both parties.

#### **Section Eleven: Facilities**

- 11.1 Facility.** The School shall ensure that it maintains facilities in compliance with all applicable local, state, and federal laws and regulations, including but not limited to those relating to accessibility and student safety. The School shall satisfy all permit, life, safety, and inspection requirements of the SCDE/Office of School Facilities (OSF).

#### **Section Twelve: Charter Renewal, Revocation, Automatic Closure, and School-Initiated Closure**

- 12.1 Renewal timeline and process.** Pursuant to S.C. Code Ann. §59-40-110(B), the School shall submit a charter renewal application to its sponsor one hundred and twenty calendar days before the end of the school year for term of the charter contract. The Parties agree that this language in the statute regarding the timing of submissions of renewal applications is ambiguous and is insufficient for the Parties to determine when the Legislature intended for the application to be submitted. Therefore, the Sponsor shall provide the Renewal Application to the School by November 1, 2031 and the School agrees to submit its renewal Application by January 10, 2032. Sponsor will provide written notice of its decision to revoke or not renew on or before February 1, 2032. The School

may request a hearing with regard to a decision not to renew the Charter within fourteen (14) days of receipt of the notice of non-renewal. After receipt of a timely request for a hearing, the Sponsor shall schedule a hearing before taking final action. The Sponsor shall take final action to renew or not renew a Charter by the last day of classes in the last school year for which the charter school is authorized. If the School fails to submit the renewal application by January 10, 2032, then the School agrees that the Charter will expire on June 30, 2032, and the School will seek and obtain other sponsorship or dissolve in accordance with § 59-40-120 upon expiration of the Charter on June 30, 2032.

- 12.2 Renewal application content.** At the request of the Sponsor, the renewal application may contain (1) a report on the progress of the School in achieving the goals, objectives, pupil achievement standards, and other terms of the initially approved charter application; (2) a financial statement that discloses the costs of administration, instruction, and other spending categories for the School that is understandable to the general public and that allows for comparison of these costs to other schools or other comparable organizations, in a format required by the SBE; and 3) any proposed material changes to the Charter or Contract to be implemented in the next ten year charter term. The format of the renewal application shall be provided to the School by the Sponsor at least one year before the renewal application is due or by the date prescribed by the Sponsor of the year in which the application is due. The Sponsor may modify this format but shall not do so prior to seeking input from the School.
- 12.3 Criteria for renewal, nonrenewal, and revocation.** The Sponsor must revoke or not renew the School's Charter for any of the grounds provided by S.C. Code Ann. §59-40-110(C), as they exist now, or may be amended. In accordance with S.C. Code Ann. §59-40-110(D), the Sponsor may summarily revoke the School's Charter if it determines that the School poses an imminent threat of harm to the health or safety of students, or both, based on documented and clear and convincing data.
- 12.4 Criteria for automatic closure.** In accordance with S.C. Code Ann. §59-40-110(E) and paragraph 3.1(A)(ix) herein, the School shall automatically and permanently close at the conclusion of the school year in which the School first becomes subject to automatic closure for receiving the lowest performance level rating as defined by the federal accountability system for three consecutive years beginning with student achievement data from the 2013-2014 school year. The determination of closure is final and the School does not have the right to a notice or a hearing if the criteria for automatic closure is met.
- 12.5 Revocation/nonrenewal and hearing procedures.** In accordance with S.C. Code Ann. §59-40-110(F), at least sixty days before not renewing, revoking, or terminating a charter school, the Sponsor shall notify in writing the School board of the proposed action. The notification shall specify the grounds for the proposed action in reasonable detail. Pursuant to S.C. Code Ann. §59-40-110(H), the School board may request in writing a hearing before the sponsor within fourteen days of receiving notice of nonrenewal or revocation of the Charter. Failure of the School board to make a written request for a hearing within fourteen days must be treated as acquiescence to the proposed action. Upon receiving a timely written request for a hearing, the sponsor shall give reasonable notice to the School board of the hearing date. The Sponsor shall conduct a hearing before taking final action. The Sponsor shall take final action to renew or to revoke a Charter by

the last day of classes in the last school year for which the charter school is authorized following any vote by the Sponsor to revoke or non-renew the School's charter.

- 12.6 Termination of contract with Sponsor.** Pursuant to S.C. Code Ann. §59-40-115, the School may terminate its contract with the Sponsor before the ten-year term of contract if both Parties agree to the dissolution. Should the School choose to terminate this Contract before the end of the Contract term, it may do so in consultation with the Sponsor at the close of any school year and upon written notice to the Sponsor given at least ninety days before the end of the school year or as School and Sponsor may otherwise mutually agree. In the event the school decides to dissolve, the School shall make every effort to provide notice of ten months to the Sponsor to allow families to take advantage of any available school choice enrollment dates.
- 12.7 Return of property.** Pursuant to S.C. Code Ann. §59-40-120, upon dissolution of the School, the School assets may not inure to the benefit of any private person. Any assets obtained through restricted agreements with a donor through awards, grants, or gifts must be returned to that entity. All other assets shall become the property of the Sponsor.

### **Section Thirteen: General Provisions**

- 13.1 Formal communication with Sponsor's Board.** The Sponsor encourages the School to raise any concerns with Sponsor to the Sponsor's Board of Trustees after reasonable efforts to resolve the concerns with the Sponsor's staff have been exhausted. The Sponsor's Board recognizes that public comment at Board meetings may not offer enough time for the School to communicate with the Sponsor's Board regarding the School's concerns. Therefore, School may request to and shall be added to the agenda of the Sponsor's next regular board meeting to discuss any policy, procedure, or operational concern of the School by submitting the request in writing at least ten (10) days in advance of the board meeting describing (1) the matter to be addressed; (2) any supporting documentation; and (3) those who will appear before the Sponsor's Board. For any formal appearance by the School before the Sponsor's Board of Trustees, it is expected that at least one of the School's board members will appear unless otherwise agreed in advance.

School is found contrary to law, such provision or application shall have effect only to the extent permitted by law.

**13.5 No waiver.** The Parties agree that no assent, express or implied, to any breach by either of them of any one or more of the provisions of this Contract shall constitute a waiver of any other breach.

**13.6 No third-party beneficiary.** The enforcement of the terms and conditions of this Contract and all rights of action relating to such enforcement shall be strictly reserved to the Sponsor and the School. Nothing contained in this Contract shall give or allow any claim or right of action whatsoever by any other or third person. It is the express intent of the Parties to this Contract that any person receiving services or benefits hereunder shall be deemed an incidental beneficiary only.

**13.7 Notice.** Any notice required or permitted under this Contract shall be in writing and shall be effective upon personal delivery (subject to verification of service or acknowledgement of receipt) or three days after mailing when sent by certified mail, postage prepaid to the respective addresses set forth below. Either party may change the address for notice by giving written notice to the other party.
